

# 2020 International Convention-Szczyrk, Poland

July 10, 2019 Newsletter

## TIME AND PLACE

The convention will be held **August 5 through 9, 2020**. The convention choir camp attendees will perform the evening of August 4th, the traditional start of the International Convention. The main place of our gathering will be the same as in 2018 – **“Orle Gniazdo” [Eagle’s Nest] Conference Center** in Szczyrk, Poland, near Bielsko-Biala.

**Address of the center:** ul. Wrzosowa 28 A43-370 Szczyrk **Email:** [www.orne-gniazdo.pl](http://www.orne-gniazdo.pl)

The conference center owes this unique, almost Biblical name to its location at the top of one of the highest hills surrounding the town, about one mile from its center. This spot – far from the city commotion, traffic, distracting billboards and crowds of tourists – turned out to be a real blessing for those seeking peace, quiet and solitude, at the same time longing for the intimate fellowship focused around God’s Word. These advantages of Eagle’s Nest led us to once again select this location for our International Convention for the third time!

In 2018, the convention had 900 number in attendance during the week, with the high count coming over the weekend, with 1040. What a truly amazing experience to be with so many of The Lord’s people at once and being represented from 17 different countries!
